6. [] - RJK) Spoke with Marni Sandweiss, on the staff of Representative Michael Harrington (D., Mass.), and told her in response to her earlier request for information on Panama that this Agency was not authorized to provide the Congressman with the National Intelligence Estimate on Panama. I told her, however, if the Congressman desired a briefing we would be happy to give him one. I advised her further that we could make no comment on the Southern Command School since it is a DOD agency. Finally I told her that I would put into the mail to her an article on Panama by Marcos G. McGrath from the October 1973 Foreign Affairs. She appreciated this assistance and said she would be back in touch with us if Representative Harrington wanted a briefing on Panama.
